

**DICHTUNGS**  
**SCHMIEDE**

*From the idea to the new seal -  
we create sealing solutions!*

## **PTFE**

### **high performance seals**

For extreme conditions!

#### **Industry sectors**

- foodstuff, luxury food, beverage and tobacco
- chemistry and pharmaceuticals
- mechanical & plant engineering
- steel and rolling mills
- cement and mining industry

**MADE IN GERMANY**

**MADE BY DICHTUNGSSCHMIEDE**

## **Our company**

- own developments and constructions
- special know-how and experience in sealing technology
- owner-managed company

## **Your advantages**

- great economy
- high efficiency
- all from one hand
- individual solutions
- special PTFE and PTFE compound materials

## **We create and manufacture**

- lip seals
- radial shaft seals
- rotary lip seals
- special seals
- special parts made of PTFE

**FDA**

**3A Sanitary**

**Food regulation**

**ATEX**

**BAM**

**ADI-Free**

**REACH Regulation,  
EU 10/2011 (1907/2006)**

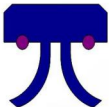

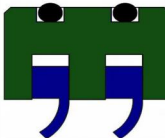

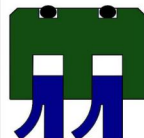

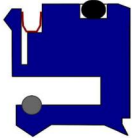

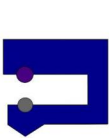

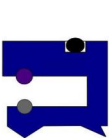

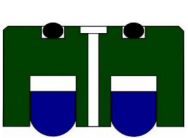

**Food Law Regulations  
EG Law, FDA &  
BGVO (BfR, LFGB)**

**RoHS-Directive 2011/65/EU  
(RoHS 2)**

## Selection of the sealing profiles

An excerpt of our sealing profiles. Other variants are possible - contact us.
